

Hello Band Families! Hope this email finds you well. Given school is starting virtually next week and the marching band is postponed, we're canceling the 9/3 meeting. This meeting was originally slated to discuss TAG Day. TAG Day is our largest and most lucrative fundraiser where band students canvas Edison neighborhoods and ask for donations. Clearly, this won't happen in the Fall and we will have to reimagine it based on current circumstances.

Our other meetings will occur and will serve as a support for parents/students as we navigate the school year. Time will tell if these will be in-person or online gatherings. A decision will be made closer to the meeting date.

Happy New School Year!

Reach out if you have any questions,

Jennifer
